Guidelines to Author

Ethical Policy

1. Authors are advised to adhere to the ethics of publication of his/her article to be considered for publication.
2. Acknowledgement of the original ideas, borrowed from other sources is imperative.
3. The authors of original research work (previously unpublished / under process for the publication elsewhere) should be an accurate submission of the work carried out, provide the rationale of the significance of the research work in context with previous works, and should contain sufficient details to allow others for further research.
4. It will be the wholesome responsibility of the authors for such lapses if any on legal bindings and against ethical code of publication or communication media.
